## Client One

August 10, 1994 · 6:43 AM · Fayetteville, North Carolina  
Placidus House System · Tropical Zodiac · Astro.com Verified

### The Big Three

■ SUN SIGN	■ MOON SIGN	↑ RISING SIGN
<b>Leo</b>	<b>Virgo</b>	<b>Leo</b>
17°35' · House 1	27°25' · House 2	19°03' · House 1

### ■ Notable: Leo Stellium — Sun + Mercury + Rising all in Leo

Client One has a powerful **Leo stellium** — her Sun (17°35'), Mercury (14°46'), and Rising (19°03') are all in Leo. This triple Leo energy stamped directly onto her 1st house means her identity, her voice, and her very presence are all Leo through and through. She does not just have Leo energy — she IS Leo energy. Radiant, creative, expressive, and built for a stage of some kind.

Her **North Node in Scorpio in the 4th house** tells a deeper story — beneath the radiant exterior, her soul's mission involves deep emotional transformation, healing of roots and family wounds, and building something lasting from the inside out.

### Planetary Placements - Exact Degrees from Astro.com

■ Sun	Leo 17°35' · House 1	Her core identity is radiant, bold, and creatively powerful. Sun in Leo in the 1st house means she lights up every room she enters. Her sense of self is tied to self-expression, recognition, and creative output. She was born to be seen.
■ Moon	Virgo 27°25' · House 2	Her emotional nature is precise, analytical, and quietly devoted. Moon in Virgo in the 2nd house means she processes emotions through practical care, service, and attention to detail. Her self-worth is tied to being useful, competent, and doing things right.
↑ Rising	Leo 19°03' · House 1	Her first impression is commanding, luminous, and magnetic. People immediately perceive her as confident and radiant — even before she speaks. Leo Rising doubles down on her Sun's energy, making her presence unmistakable.

■ Mercury	Leo 14°46' · House 1	Her communication style is dramatic, warm, and expressive. She speaks from the heart with flair and confidence. Mercury in Leo in the 1st house makes her a natural storyteller, performer, and persuader. Her words carry heat and light.
■ Venus	Libra 2°58' · House 2	Venus in Libra is in its home sign — this is one of the most naturally gracious, beautiful, and charming placements. In the 2nd house, she builds wealth and self-worth through beauty, harmony, and relationships. She has an exquisite aesthetic sensibility.
■ Mars	Gemini 25°49' · House 11	Her drive is quick, versatile, and socially directed. Mars in Gemini in the 11th house means she pursues her goals through networking, communication, and community. She can work on multiple projects simultaneously and thrives in collaborative, stimulating environments.
■ Jupiter	Scorpio 6°59' · House 4	Jupiter in Scorpio in the 4th house brings deep, transformative expansion through home, family, and emotional roots. Her greatest growth comes through diving into emotional depth — not avoiding it. She may have a rich or complex family history that shapes her powerfully.
■ Saturn	Pisces 10°38' · House 8 (Rx)	Saturn retrograde in Pisces in the 8th house brings karmic lessons around surrender, boundaries, and shared resources. She is learning to release control in the realms of intimacy, finances, and spiritual trust. This placement matures beautifully with age.
■ Uranus	Capricorn 23°26' · House 6 (Rx)	Uranus in Capricorn in the 6th house brings sudden, unconventional disruptions to daily routines, work, and health. She may have had unusual work experiences or a non-traditional relationship to structure and discipline.
■ Neptune	Capricorn 21°16' · House 6 (Rx)	Neptune in Capricorn in the 6th house softens and spiritualizes her daily work and health routines. She may be drawn to healing arts, spiritual service, or behind-the-scenes creative work as part of her everyday life.
■ Pluto	Scorpio 25°17' · House 4	Pluto in Scorpio in the 4th house is one of the most intense generational placements — it transforms home, family, and emotional foundations at the deepest level. Her roots have known power, intensity, and profound change. This is the source of her depth.
■ N.Node	Scorpio 19°18' · House 4	North Node in Scorpio in the 4th house — her destiny involves deep emotional transformation, healing family and ancestral wounds, and building a soulful, rooted home life. She is moving from Taurus South Node (material comfort and stubbornness) toward Scorpio depth and soul-level intimacy.

<b>MC</b>	<b>Taurus 13°00'</b>	Her Midheaven in Taurus means her public reputation and career legacy are built on beauty, stability, quality, and lasting value. She is remembered for what she BUILDS — tangible, beautiful, enduring things. Venus rules her MC, tying her career to art and relationship.

## Chakras by Placement

<b>Solar Plexus &amp; Sacral Chakras</b>	<i>Leo Sun + Mercury + Rising</i>	Color: Yellow + Orange · Upper abdomen & lower belly	Triple Leo in the 1st house blazes through the Solar Plexus — personal power, confidence, and creative will. When she's performing, creating, and being seen, this chakra is on fire. Her Sacral chakra fuels her creative expression and passion. Sunlight, dancing, and creative work keep both open.
<b>Throat Chakra</b>	<i>Virgo Moon (2nd)</i>	Color: Blue · Center of throat	Virgo Moon in the 2nd house connects to the Throat Chakra — the seat of self-expression and truth-speaking. Her emotional wellbeing is tied to communicating precisely and being heard correctly. Journaling, singing, and honest conversations heal this chakra for her.
<b>Heart Chakra</b>	<i>Venus in Libra (2nd)</i>	Color: Green / Pink · Center of chest	Venus in Libra is the Heart Chakra's most natural ruler. She gives and receives love through beauty, harmony, and reciprocity. Rose quartz, acts of beauty, and balanced relationships keep her Heart Chakra open and glowing.
<b>Root Chakra</b>	<i>North Node Scorpio + Pluto (4th)</i>	Color: Red · Base of spine	Scorpio North Node and Pluto in the 4th house bring deep Root Chakra work — healing ancestral and family-level wounds is central to her path. Grounding in her physical body, connecting to her lineage, and building a stable home foundation are essential healing practices.

## Body Parts Ruled by Her Placements

PLACEMENT	RULES	WHAT TO WATCH
Leo Sun + Mercury + Rising	Heart, spine, upper back	Heart health and upper back tension. Suppressing her creative self strain
Virgo Moon (2nd)	Digestive system, intestines, nervous system	Stomach health is her emotional barometer. Anxiety shows up in digestion first

Venus in Libra (2nd)	Kidneys, lower back, skin	Kidney health and lower back pain. She needs balance and beauty in her life.
Mars in Gemini (11th)	Lungs, arms, hands, nervous system	Respiratory sensitivity and nervous system overload. She can burn herself out.
Jupiter + Pluto + N.Node in Scorpio (4th)	Reproductive system, colon, pelvis	Deep detox cycles and reproductive health. Scorpio rules regeneration — she is reborn.
Saturn Rx in Pisces (8th)	Feet, lymphatic system, immune system	Immune sensitivity and lymphatic health. Stress weakens her immune system.

## Karmic Destiny — North & South Node

■ NORTH NODE (Destiny)	■ SOUTH NODE (Past Life)
<b>Scorpio 19°18' · House 4</b>	<b>Taurus · House 10</b>
Her soul's mission involves deep emotional transformation, healing her family and roots, and building something soulful and lasting from the inside out.	She carries a heavy burden of material concerns, such as money, status, and career. She must learn to release these attachments to find her true self.

## Life Purpose & Destiny Reading

Client One is a **radiant, deeply feeling, and creatively powerful soul** whose life is defined by the beautiful tension between her blazing Leo exterior and her Scorpio-Virgo interior depths. On the surface she shines — bold, warm, magnetic, and luminous. Beneath that surface runs something much deeper, darker, and more transformative.

Her **Leo stellium (Sun + Mercury + Rising in the 1st house)** makes her a natural creative force, performer, and leader. She is not meant to dim herself for anyone. Her presence, her voice, and her creative expression are her greatest gifts to the world.

Her **Venus in Libra in the 2nd house** with **MC in Taurus** says her career legacy is built on beauty and lasting value. She is remembered for what she creates that endures — art, relationships, businesses, or experiences that people treasure.

Her **North Node in Scorpio in the 4th house** is where her soul grows — deep emotional transformation, healing her roots, and building something soulful and lasting from the inside out. Her greatest breakthroughs happen when she dives deep rather than staying on the surface.

Her **Jupiter in Scorpio in the 4th house** expands everything related to emotional depth, family, and hidden power. Her most profound blessings come through the things she can't see yet — through shadow work, emotional healing, and trusting what's beneath the surface.

In summary: **Client One is here to create beautifully, love deeply, and transform powerfully.** Her life is a masterpiece in progress — radiant on the outside, soul-deep on the inside, and built to last.

## House Cusps - Exact Degrees

<b>House 1 (ASC)</b>	<b>Leo 19°03'</b>	Identity — Sun, Mercury, Rising all here. Radiant, bold, unmistakably herself
<b>House 2</b>	<b>Virgo 12°26'</b>	Money & values — Moon here. Self-worth tied to competence and service
<b>House 3</b>	<b>Libra 10°26'</b>	Communication — balanced, diplomatic, seeks harmony in all exchanges

House 4 (IC)	Scorpio 13°00'	Home & roots — Jupiter, Pluto, North Node here. Deep transformation of foundations
House 5	Sagittarius	Creativity & romance — expansive, adventurous, philosophical expression
House 6	Capricorn	Health & work — Uranus + Neptune here. Unconventional, spiritualized daily routines
House 7 (DSC)	Aquarius 19°05'	Partnerships — seeks unique, visionary, freedom-loving partners
House 8	Pisces	Transformation — Saturn Rx here. Karmic lessons around surrender and shared resources
House 9	Aries	Higher learning & travel — bold, pioneering philosophical exploration
House 10 (MC)	Taurus 13°00'	Career & legacy — beauty, quality, lasting value. South Node here.
House 11	Gemini	Friends & community — Mars here. Active, communicative, diverse social networks
House 12	Cancer	Hidden self — emotional, nurturing shadow self. Private sensitivity behind the Leo mask

## Key Natal Aspects

### Sun conjunct Mercury in Leo (1st house)

Her identity and voice are completely fused. She IS her words — how she speaks, what she says, and how she expresses herself IS her brand. Storytelling, performing, and communicating are not just skills, they are how she experiences being alive.

### Sun conjunct Rising in Leo

Her inner self and outer presentation are perfectly aligned. What you see is what you get — she is exactly as radiant and bold in private as she appears in public. There is no mask. The Leo IS her.

### Venus in Libra (domicile) sextile Jupiter in Scorpio

Beauty meets depth. This aspect blesses her creative and financial life with both aesthetic grace and emotional power. Things she creates or invests in have both surface beauty AND lasting transformative depth.

### Mars in Gemini trine Venus in Libra

Her drive and her love nature work in harmony. She pursues beauty, connection, and creative goals with effortless energy. Socially she is magnetic — her actions feel charming rather than aggressive.

### Moon in Virgo opposite Saturn Rx in Pisces

Her greatest emotional tension: the need for precision and control (Moon in Virgo) versus the call to surrender and trust (Saturn Rx in Pisces). Mastering this polarity is one of her life's central journeys.

### Jupiter in Scorpio conjunct Pluto + North Node (4th)

A powerful triple conjunction in her house of roots. Her greatest expansion, transformation, and destiny all converge in her emotional foundation and home life. What happens in her private world is the engine of her public success.
